Other products in this range

Dilo oil is cold pressed and is a pure oil which is readily absorbed through the skin. This amazing oil naturally contains a unique essential fatty acid that soothes irritation and inflammation whilst super-charging the healing and repair process.

Soothe, nourish and replenish skin affected by: Sunburn, Windburn, Dermatitis, Dehydration Rashes, Insect bites, Acne, Eczema, Shaving irritation, Post microdermabrasion, Post Radiation and Chemotherapy.

Product of the Month **Pure Fiji Dilo Body Gel**

Known as 'the tree of a thousand virtues,' the sacred Dilo tree makes its home on white coral sands in the pristine Islands of Fiji - drawing its sustenance directly from the nutrient rich warm waters of the Pacific Ocean. It is known to possess a unique capacity to enhance the skin's own repair mechanism, soothe pain and irritation as well as promote the growth of healthy skin.
